### Car

If coming by car there are many routes from Liverpool, Chester, Warrington, Manchester and other surrounding areas.

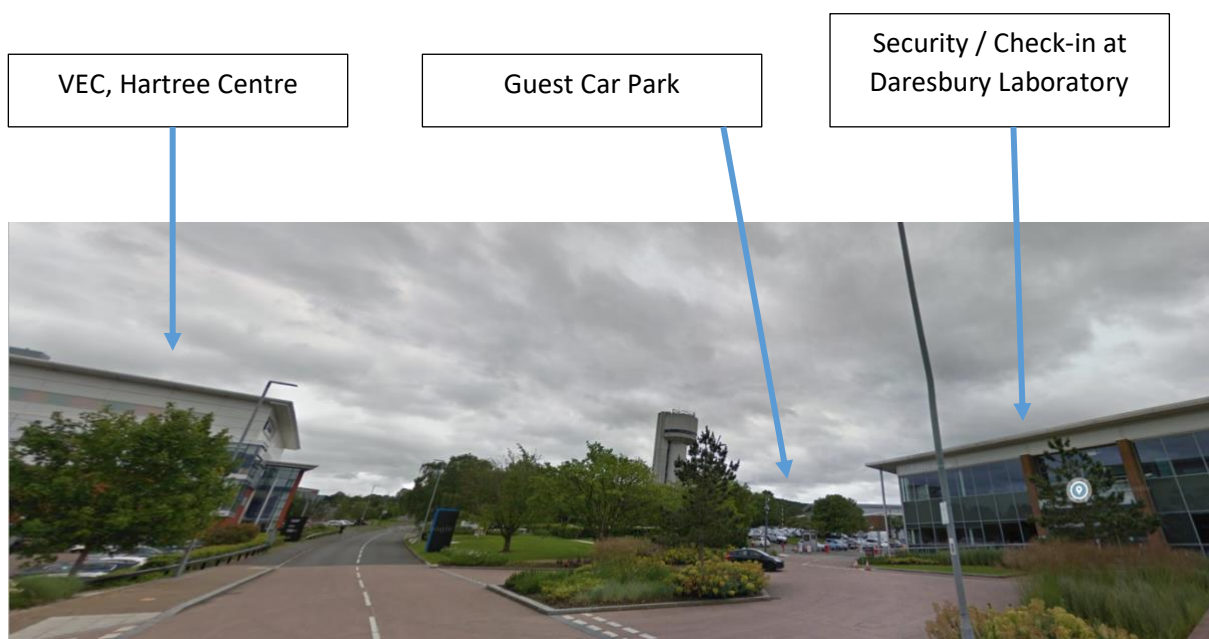

Daresbury Laboratory is 5 miles south west of Warrington and 5 miles east of Runcorn, and immediately to the west of the A56 near the village of Daresbury.

It is located 1 mile down the A56 from junction 11 of the M56 motorway, which connects to the national motorway network via the M6 (6 miles east).

From the M6, take Junction 20a and join the M56 towards Chester. Exit the M56 at Junction 11 and take the fourth exit at the roundabout (signposted 'Warrington'). At the first traffic lights, turn left (onto the A558) and take the first exit at the roundabout (signposted 'Sci-Tech Daresbury'). At the next roundabout, take the second exit onto Keckwick Lane and follow signs to STFC Daresbury Laboratory's main reception.

**Visit the Main Entrance/Reception of Daresbury Laboratory (building opposite the visitor car park) and report to security. Somebody from the VEC will come to collect you.**

The Car Parking is free at the Sci-tech Daresbury Site.

## Taxi
